AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed December 2, 2002, please amend the above-identified application as indicated below:

IN THE CLAIMS

Please amend the claims as follows:

33. (Amended) An interactive [quest] gaming system for entertaining one or more play participants, comprising:

a play [facility] structure comprising at least an upper level and a lower level and at least one slide for facilitating one-way slide traffic from said upper level to said lower level; said play structure;

one or more play modules disposed within said structure and sized and configured to receive or support said one or more play participants playing in, on or around each said play module, each play module further comprising multiple play elements operatively associated with each said play module comprising one
